ALASKA WIC
Good Nutrition For Women, Infants & Children

State of Alaska
WIC Program Notice

Effective **October 1, 2012**, there will be a change to the formula packages issued by WIC.

This will affect clients receiving

Alimentum
Enfamil AR
Elecare
Enfacare
Gentlease
Good Start or Good Start Soy
Neocate
Neosure
or Nutramigen
through WIC.

It was determined that the Alaska WIC program was providing too much formula. Beginning with benefits issued on **October 1st and later**, most formula packages will contain **ONE LESS** can per month. This change will bring us into compliance with the amount of formula WIC is allowed to issue.

This change will not affect you if you receive your formula through Procare.

Please talk to your local WIC with questions, or call (907) 465-3100
