

Department of Health and Social Services  
Chart of End Stage Renal Dialysis Services Rates

**Effective March 24, 2019**

The following are Medicaid treatment payment rates for End Stage Renal Dialysis services. The rates are all-inclusive, except that erythrocyte-stimulating agents and parenteral iron replacement products are billed separately.

Service	Treatment Rate
Hemodialysis	\$365.49
Peritoneal Dialysis	\$153.43
