

BRING THE KIDS HOME (BTKH) GOALS:

- ↓ out-of-state residential placement of children
- ↑ capacity to serve children with all intensity of needs in-state
- Develop an **integrated seamless system** that will serve children’s behavioral needs in the most culturally competent, least-restrictive setting & as close as to home as possible

BTKH Initiative

BRING THE KIDS HOME uses 7 Strategies to accomplish goals.

- **Strategy 6** – Build the capacity & core competencies of in-state providers to provide services that meet the needs of kids with severe behavioral health disorders

BTKH Stakeholder Work Group

Mini-Summit Workgroup

BTKH Education Subcommittee

- Co-chaired by HSS & EED Commissioners
- Unite DHSS & DEED in cross-discipline effort
- Gather data to understand needs
- Identify Best Practices & appropriate funding
- Implement Keys for Success

BTKH Education-Related Funded Projects

- PBS Community-Wide Pilots (with CHD, SSG, SESA) universal, secondary, tertiary.
- School-based Medicaid Services Tool Kit
- Educational Transition Support Project (with SESA)
- School-Based “Little Tykes” (with Anchorage Community Mental Health Services)

BTKH takes leadership role and/or supports department & division efforts to identify shared & desired outcomes.
After FY13, frame as an interdepartmental effort, possible titles:
 “Youth Interventions for Success,” “Youth Systems of Care,” “Keeping Kids Safe & In Their Homes,” ensure workforce issues are addressed

Early Childhood Initiatives

EI/ILP Parent Training

- PBS for families/parents
- @ Stone Soup Group

Project CIRCLE
