The Advisory Group will listen to public testimony during this hour and then follow it with Group discussion of testimony topics.

1:30 – 2:30 Review of other State's Reform efforts
Group members should be ready to discuss the efforts from other states, this will require a review of the reading materials provided online as a starting point.

- Key starting points
- Main areas of focus

2:30 Break

2:45 – 3:45 Continued review of other State's Reform efforts

- Partial reforms
- Successes/Failures

3:45 – 4:15 Review of Alaska's previous Medicaid Reform efforts

- This will be a discussion of the Medicaid Task Force report from 2011, what's been implemented, what's still in progress

4:45-5:00 Wrap up discussion and adjournment

The goal of this meeting will be to narrow the focus of the Advisory Group into areas that require deeper discussions surrounding reform. What should the Alaska Medicaid Program look like, how can it be changed to meet the Governor's three key mandates, and how can we get there from here?
