National Data

Two or More Adverse Childhood Experiences

The Data Resource Center for Child and Adolescent Health is a project of the Child and Adolescent Health Measurement Initiative ([CAHMI](#)) supported by Cooperative Agreement 1-U59-MC06980-01 from the [U.S. Department of Health and Human Services, Health Resources and Services Administration \(HRSA\), Maternal and Child Health Bureau \(MCHB\)](#). With funding and direction from MCHB, these surveys were conducted by the Centers for Disease Control and Prevention's [National Center for Health Statistics](#). CAHMI is responsible for the analyses, interpretations, presentations and conclusions included on this site. Map created by Alaska Mental Health Board Staff

National Prevalence of Indicators of Negative Well-Being, by Number of Adverse Childhood Experiences (Ages 12-17)
