Sponsored by

Alaska Center for Resource Families

Families and professionals alike are invited to this day long forum to explore how we can improve the developmental forecast for young children who have experienced both trauma and prenatal alcohol exposure.

Participants will be given resources including Mat Su listings of FASD and trauma services and Paper Trail Notebooks. You can also help develop a "Paper Navigator" that will assist in obtaining diagnosis and resources for young children. No registration fee for this forum. Lunch is provided.

AGENDA

- Morning:** **Adverse Childhood Experiences (ACEs) and Trauma**
Fetal Alcohol Spectrum Disorder in Early Childhood
- Lunch:** **PANEL DISCUSSION: The Intersection of FASD and ACEs** *Intervention Points for Young Children with Prenatal Alcohol Exposure*
- Afternoon:** **FASD Diagnosis in Young Children: Past and Present** *A history of the Mat-Su FASD Clinic- and an exploration of what diagnosis options are currently available*
Community Resource Mapping Activity (Led by Consultant Cheri Scott) *Community and Family Resources -- What FASD Services are available in the Valley? Where are the FASD Gaps?*

Community Resource Fair
