Trust Board Joint Priorities 2009

The Governor's Council on Disabilities and Special Education, Alaska Mental Health Board, Advisory Board on Alcoholism and Drug Abuse and the Alaska Commission on Aging, in collaboration with the Alaska Mental Health Trust Authority, have identified the following as shared legislative priorities for 2009:

Home and Community-Based Services Rate Reviews — Establish regular and periodic schedule of rate reviews for home and community-based services.

Adult Dental Services — Reauthorize the adult dental Medicaid services to avoid costly and potentially catastrophic dental emergencies late in life.

Alaska Housing Trust — Enact legislation creating the Alaska Housing Trust with appropriate sufficient funds to support meaningful services through the housing trust.

Public Transportation Trust — Establish an Alaska Public Transportation Trust to fund the operations of community-coordinated public transportation systems.
