Luck of the Irish!

St. Patrick's Day was a busy day. We had a festive meal with two groups to entertain. The Accordion Club of Fairbanks played some specially prepared seasonal music after our own bell choir performed two numbers. Everyone dressed for the day and joined in the party.

Jorlyn, Angie and Marcel join in the fun.

Out to Lunch

We had lunch out at Shogun in March. We loved the show the chef gave preparing the food. After lunch the activities staff continued the fun by donning masks and taking pictures. We go out to lunch every month. This month we are going to Bobby's on April 20. If you want to go, call Teri at 458-2243 or tell anyone in activities.

Veva enjoys a trip to Shogun.

New Residents

Please join us in welcoming Patrick and Rita Farmer to our home. They are joining us from the North Pole area and have been stars of the show at the Santa Claus House. We are glad they have joined the Pioneer Home family.

Fairbanks Pioneer Home News **Quarterly Resident Meeting**

We will be meeting on April 20 at 3pm to discuss any subject the residents are interested in. This is a time you can share your concerns or compliments. If you want anything added to the agenda, let Teri know by Friday, April 17. See you there.

Cookie Crew

Who doesn't like homemade cookies? Our goal is to have cookies made by the residents to use during activities. If you want to help with the baking, join us in the café on April 2, 16 and 30 at 9:30am. If you have a cookie recipe to share, let one of the activities staff know and we will mix up a batch. Yummm!

Easter Events

Easter is Sunday, April 5th. Claude Klaver will lead a Maundy Thursday service on Thursday, April 2 at 1:30pm in the Library. We will dye eggs for use on our Easter breakfast tables on Friday, April 3 at 9am in the Rec Room. We will have a petting zoo on Saturday, April 4 at 2pm in the Rec Room. There is an Easter Festive Meal at noon on Easter Sunday. Join us for these special events.

Cross Training

You may have noticed staff that work in one neighborhood are working in another areas. We are striving to keep staff care skills honed by cross training.
