Golden Days Picnic

Our annual picnic was a grand success. We had music from Earl Hughes and the Red Hackle Pipe Band and enjoyed delicious salmon prepared by our kitchen. We saw many old friends and made some great memories. We want to thank our foundation for sponsoring the event. Our foundation is looking for new members. If you want to join these wonderful people, who work to improve the quality of our resident's lives, call Angie at 458-2225.

Al Weber and daughter Anne
enjoy the festivities

Happy Fish

Our fish ladies ask that no fish be added to the Moosewood fish tank.

In Memoriam

We lost two dear friends in July. Rosalie Burch lived with us a long time and we will miss her. Her devoted daughter, Joyce, was with her every day. Milt Mayr shared his beautiful voice and diamond willow carving. We will miss his generous nature.

Just a Reminder

We provide transportation to medical appointments for level 2 and 3 residents. It is up to the families to provide an escort for their loved one. If you have any questions you can talk to Angie, our administrator.

Phone Scam

There have been reports of phone scams targeting seniors in our area. Please remember that legitimate callers will never ask for personal information over the phone. If you have questions call Celina, our social worker.

Fun at the Fair

It is Fair time once again. We will make two trips this year. Senior Day is Wednesday, August 10. This is the day to go if you want to have lunch in the tent with your fellow seniors. If you want to eat your way around the fair, Thursday, August 11 is your day. Please let one of the Activities staff know which day you want to go. We are looking for volunteers to escort our residents. If you want to help, let us know.

Mark Your Calendar

Our foundation's annual Art Walk will be on September 16, 6-9pm. This is their one fundraiser of the year, so plan to join us.

Thanks Courtney

Courtney Linkous, super volunteer, is here every day to help. She takes care of the rock garden and performs other garden duties. She sews, sings and provides companionship to the residents. Below, she and Loyola prepare the Siberian Sweet Rockets we gave away at the picnic. Her great idea!
