KETCHIKAN PIONEER HOME

VOLUME 14, ISSUE 7

JULY 2016

GREETINGS FROM THE ADMINISTRATOR

This has been an exciting month for both the Ketchikan Pioneer Home and the Peace Health Ketchikan Medical Center. We are knee deep in a couple of construction projects at the KPH and we also wrapped up our Assisted Living Licensing inspection with zero orders of correction. Great Job to all of the KPH staff! Thank you all for your patience

this month as I volunteered time for the Peace Health Ketchikan Medical Center Governing Board and the exciting week of events lead-

My all time favorite person Sister Anne Hayes and I were able to visit during last weeks celebration

ing up to the ribbon cutting ceremony. The new structure will help PHKMC better serve our residents and our caregivers and the expansion will be there to ensure quality care in the future.

I am so happy to announce that we are working on a music therapy program for our residents who have cognitive impairment and limited ability to express themselves. The new program will use Ipods and individualized playlists and utilize volunteers who are tech savvy. More to come in next months newsletter!

*Have a safe and
Happy 4th of July!*

LOOKING FORWARD

It's that time of year again! The KPH Garage Sale will be held on Saturday, July 30th. Please remember that this is a fundraiser for the Resident Council and all of the proceeds go toward funding activities for the residents.

We will begin accepting donations on July 1st and will continue to accept your donated treasures until the day of the sale. If you have any ability to volunteer please contact Hilary at 228-3372 as we need all the help we can get for this fun event!

Ketchikan Mechanical staff work to get the new boiler safely installed.

BOILER REPLACEMENT

We are making progress on the boiler replacement project and Ketchikan Mechanical staff have been working hard along with our maintenance crew to get the new boiler

in place. As some of you were able to witness from your windows, the new boiler has arrived and has been set in place and the 30 year old boiler has been removed.

Maintenance Foreman Mark Schiller was happy to see the old boiler leave the building.

“It will be celebrated...with pomp and parades...bonfires and illuminations... from one end of this continent to another”

John Adams

The Great Harvest

It has become an annual event for our residents and staff to harvest our monster rhubarb and bake a special treat. The residents agreed that this years rhubarb crisp was the best yet but we say

that every year. Please let us know if you have a world famous recipe because we would love to try it.

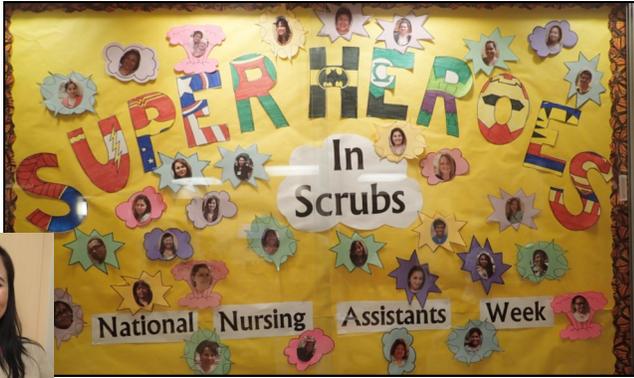

MISSING YOU

In June we were saddened to lose three of our dear friends Neil O’Hashi, Delores Houts, and Alfred Greuter. Each of these residents were long time Ketchikan residents and were loved deeply by their friends and family. We look to our memories to offer comfort and peace and keep their loved ones in our thoughts during these difficult days.

The KPH Foundation has been such a huge help in making the lives of the residents better and we are so grateful.

The KPH Foundation is a registered 501-C3 non-profit organization whose sole mission is to provide for the needs of the Ketchikan Pioneer Home residents and to help improve the quality of their lives.

If you would like more information about the Foundation please let us know.

What a great day of celebration for Terry Lapinski and her family as she celebrated her 100th birthday on June 3rd with residents, friends, and her family.

Happy Birthday Terry!
