Festive Meal with Entertainment by "Dave Wintz & Friends".

February 28 @ 1:15
Trip to American Legion #35

From our Administrator

Happy February Everyone

We had a cold month with some snow arriving here in the early going of February. Craig and the maintenance crew have been having a busy week. We welcomed some new neighbors this past month as well as new staff and they are fitting in nicely. Our festive meal will be on the 20th and the theme is Valentine's Day, we're always happy to have guests.

For those who have asked, our building survived the earthquake with no major damage or any negative affects to the elders.

Coming up in the month of February we are expecting our annual VA survey.

Presidents Day, February 18th is a State Holiday and the front offices will be closed.

Sunrise from Mountain View neighborhood

January Festive Meal

January is a wonderful time to escape to Hawaii and we were able to do that, at least for one night, during our January Festive Meal. We had delicious Hawaiian food and entertainment by “Kailua Hula Ohana” Hawaiian dancers who are relatives of Josh Shaver, our administrator. Josh even entertained us by playing the ukulele. A special thank you to the dancers for the entertainment.

Happy Hour

Happy hour is a fun time to relax and enjoy some socializing.

OLV Students Visit

We are always so pleased to have school children come visit us. The students from Our Lady of the Valley School came and sang for us. They then played games, read books and visited with our residents. They were a big hit.

Puppy Visit

CNA Lanesia and her husband brought in their adorable litter of Golden Retriever puppies to share with the residents. There were many happy smiles and much cuddling with the puppies. It was a delightful time with them here.

★ HAPPY ★ BIRTHDAY!
