## Veterans Retirement Home Funding, INC 501(c)(3) Non Profit

*On February 26th the papers were signed for our Resident Council to become a non profit entity. A nonprofit is formed for religious, charitable, scientific, literary, or educational purposes and are eligible for federal and state tax exemptions. This a huge accomplishment for our Home and Residents. A heartfelt thanks to Dee Dee Robb (AL post #35), Norman Bean (RC President), Stan Tebow, and Donald Vieira for being the driving force who made this happen. For further information contact Resident Council president Norman Bean at the Alaskan Veterans and Pioneers Home.*

### Bill Brokaw

**Bill has just published his second book and it is entitled “Life’s Darkest Disease”. It is a true story about his wife Pat and her progression with Alzheimer’s and the battle that he and his family endured and continue to go through. They both live here at the Pioneer Home and have been married approximately 28 years. Both are also veterans. Bill served in the Army for two years and Pat served in the Air Force for three years. Right now his book is available on Amazon, Barnes and Nobles, and from him here at the home. The price is \$19.95. 10% of all proceeds will go to Alzheimer’s Association. If you would like to know more about this disease and how it can effect you and your loved ones this is a must read.**

***Just “Lovin’ Life” as he would say.***

*May love and laughter  
light your days, and  
warm your heart and  
home.*

*May good and  
faithful friends be  
yours wherever you  
may roam*

indicate where the smiles  
have been.”***
