Grant Priorities

NOTE: This question was re-asked on Day 2 to ensure accuracy; these results reflect participant responses from the 2nd round of voting

Q6. The Community Behavioral Health Treatment and Recovery grant structure currently support four basic types of grants.

In the current environment of competing grant dollars, please **rank** these in the order of importance as you see them:

Choose your **top priority first**, then **second priority**, then **third**, and **fourth** in order.

- 1. Behavioral Health Grants (SUD Services)**
- 2. Psychological Emergency Services**
- 3. Services to Emotionally Disturbed Youth**
- 4. Services to the Seriously Mentally Ill**
