• **AS 47.30.011. Alaska Mental Health Trust Authority:** “The purpose of the authority is to ensure an integrated comprehensive mental health program.”
Statutory Responsibilities: Advisory Boards

• Duties and Responsibilities of Commission, Council, and Boards:
  – AS 47.45.240. Alaska Commission on Aging Powers
  – AS 47.80.090 Governor’s Council on Disabilities and Special Education
  – AS 44.29.140. Advisory Board on Alcoholism and Drug Abuse
  – AS 47.30.666. Alaska Mental Health Board

The commission/council/boards shall...

“Provide to the Alaska Mental Health Trust Authority for its review and consideration recommendations concerning the integrated comprehensive mental health program.”
Defining the Mental Health Program

Alaska Statute 47.30.056
“The integrated comprehensive mental health program for which expenditures are made under this section; shall give priority in service delivery to persons who, as a result of a mental disorder or of a disorder identified in this section; may require or are at risk of hospitalization; or experience such major impairment of self-care, self-direction, or social and economic functioning that they require continuing or intensive services.”
BENEFITS OF A COMPREHENSIVE INTEGRATED MENTAL HEALTH PROGRAM

• Encompasses all beneficiary groups
• Bridges departments and divisions
• Endures administrations and legislatures
• Clearly delineates the Alaska’s publicly-funded mental health program
• Establishes program-level vision and priorities
• Serves as the glue that connects reform efforts
• Evolves as the program evolves
Integrated Comprehensive Mental Health Program

Planning Leadership Workgroup

• Leadership Workgroup - established 2018
• The DHSS Comp Plan Leadership group along with the Alaska Mental Health Trust Authority and the Advisory Boards have been working towards revitalizing the Comp Plan infrastructure.
Progress

• DHSS is enthusiastic of the progress being made in the updated Comp Plan and the resource capabilities that the Comp Plan will provide to Trust Beneficiaries.
DHSS Comp Plan Vision

Vision: Utilize the Comprehensive Mental Health Program Plan as a tool that looks at services and the impact of services on the lives of Trust Beneficiaries and integrates it into a web based platform that’s modern for today’s user.
Beyond the Two Year Mark – A Comprehensive Program Management System?
Public and Stakeholder Input

• DHSS will solicit feedback from other stakeholders and will host community public comment forums this winter.

• It is important that the Comprehensive Mental Health Program Plan meets the needs of the community as a whole and acts as a driver for decision making and aids in funding decisions.
