## Individual Participant Commitment

\*\*This conference is sponsored by the State of Alaska and the Division of Behavioral Health. It is the intention for such an expenditure of time and resources to insure best practices are applied to those receiving publically funded services. By registering for this conference, we are asking that each participant commit to helping us measure the effectiveness of this conference. This commitment might include but is not limited to: pre-post survey of knowledge in the salient areas of the conference; follow up surveys to judge retention and mastery; changes in practice incorporating ideas and knowledge from the conference; chart comparisons; and supervision/agency increases in focus on trauma and trauma informed care. System enhancement and efficiency toward alleviating the suffering of children and families are the goals of this rich endeavor of the state. Please consider your willingness to join with other professionals in this project by reflectively signing this registration and contributing to this evidence-based and most humane shaping of our helping system.

My signature indicates that I have read the above paragraph and agree to the requirements:
