

Review of Health Related Services

AS 47.33.230. ASSISTED LIVING PLAN CONTENTS; DISTRIBUTION. (c) If the assisted living home provides or arranges for the provision of health-related services to a resident, the home shall ensure that a (1) registered nurse licensed under AS 08.68 reviews the portion of an assisted living plan that describes how the resident's need for health-related services will be met

List the health-related service needs as identified in the Assisted Living Plan and explain how each need will be met:

Health-Related Service Needs	How Needs Will Be Met

I have reviewed the health related services being provided by

_____ for _____
 (Assisted Living Home) (Resident's name)

The health related services as described in the assisted living plan can be provided or arranged by an assisted living home.

 Nurse or Physician's Signature
