

SELF REFERRAL

ALASKA MEDICAID COORDINATED CARE INITIATIVE

(AMCCI)

The Division of Health Care Services (Division) is proud to announce an exciting new program, the Alaska Medicaid Coordinated Care Initiative (AMCCI).

The AMCCI is designed to assist Alaska Medicaid members who use medical services more frequently than other members. The AMCCI will assist participating members to navigate the health care system and appropriately use the benefits of the Alaska Medicaid program. Members will receive one-on-one case management services such as coordination of services, scheduling appointments, addressing barriers, and getting referrals to specialists. Our goal is to help our members receive health care in the appropriate setting.

To participate in the AMCCI, please complete the form and send it by mail or fax to the address listed below. Thank you in advance for taking the time to complete this form.

Information Requested	
Name (<i>first, middle, last</i>)	
Medicaid ID#	
Address
