

THE SECRETARY OF HEALTH AND HUMAN SERVICES
WASHINGTON, D.C. 20201

DETERMINATION THAT A PUBLIC HEALTH EMERGENCY EXISTS

As a result of the consequences of the earthquake on the State of Alaska, on this date and after consultation with public health officials as necessary, I, Alex M. Azar II, Secretary of Health and Human Services, pursuant to the authority vested in me under section 319 of the Public Health Service Act, do hereby determine that a public health emergency exists and has existed since November 30, 2018, in the State of Alaska.
