CHILD CARE PROGRAM OFFICE**

The Division of Public Assistance, Child Care Program Office would like to take this opportunity to thank all of the child care providers and other participants who attended the COVID Child Care Providers Meeting last week. Again we apologize for the technical difficulties. There were close to 400 participants on the WebEx and we appreciate the patience and assistance that was provided by others.

In collaboration with the Municipality of Anchorage and thread, we have worked to address the questions received prior to and during the meeting in the attached [FAQ document](#). For your convenience, we have also attached the [WebEx recording of the meeting](#), and [the PowerPoint](#).

Thank you for your continued support to the children and families in Alaska.

We will share additional information with you as it becomes available.
