

**BROADCAST TO ALL
LICENSED CHILD CARE PROVIDERS
FROM THE CHILD CARE PROGRAM OFFICE**

The Child Care Program Office, Municipality of Anchorage Child Care Licensing, and thread will be hosting a Provider Meeting on Thursday March 26, 2020, at 1:00pm. During this meeting we will provide updates for child care providers around what is happening with COVID-19, and provide as many answers to your questions as we can.

To be mindful of your time, we would appreciate receiving questions ahead of the meeting time by 11:00am, to try and consolidate questions and provide as many answers as we can during the meeting. Please submit any questions you may have, prior to the meeting with the subject COVID Meeting to: dpacclpolicy@alaska.gov

There will also be an opportunity during the meeting to receive additional questions and provide answers to those we can. There may be questions we are not able to answer during the meeting, however we will be capturing all of the questions and will work to provide answers as soon as we can.

For those providers not able to attend, we will be recording the meeting, and creating and sharing a frequently asked questions documents which will be available by request through the child care licensing policy mailbox at: dpacclpolicy@alaska.gov

Here is how you can join the meeting:

First, call **1-650-479-3207** from your landline preferably, or cell phone if needed. Please mute your phone until ready to speak, and do not use a headset or Bluetooth as they can cause problems. If you can't get through, hang up and try again.

Enter the meeting number access code **806 851 564#** when prompted. Then, if prompted, enter the numeric phone password. **87647675**. You will then enter the voice conference meeting. If you do not have access to a computer, you may still attend the just the voice conference portion.

Once this is done, click the link below and enter the meeting password **8QniPMSKm62** if prompted to join the computer screen sharing portion of the meeting: You should turn off your computer video camera/microphone if you have one as we will not be using it. The application may ask to run or install the WebEx program on your computer if you do not have it installed, click yes.
