

## Alaska's Approved Health and Safety Orientation Training

Each of the training requirements must be completed through one of the approved organizations' approved training course listed below. Health and Safety Trainings must meet specific content area requirements and be approved by the Child Care Program Office in order to be added to the Alaska's Approved Health and Safety Trainings list. Health and Safety Trainings can be submitted to the Child Care Program Office @ [dpacclpolicy@alaska.gov](mailto:dpacclpolicy@alaska.gov), for review of content area requirements. Health and Safety Trainings submitted and approved will be added to the Alaska's Approved Health and Safety Trainings list.
