How is the benefit calculated?
Eligibility is not solely based on income. Benefits are calculated using a point system based on: the area of the state where you live, heat type, dwelling type, household size and income. Each item has a point value. If you have low heating cost points after all factors are calculated, you may not qualify.

How do I apply?
You can mail, drop off, email or fax your application to any Public Assistance office. Office contact information can be found at http://dhss.alaska.gov/dpa/Pages/contacts.aspx

Programs

- **Heating Assistance**
  Helps households pay a portion of home heating expenses. Households must have at least $200 in out-of-pocket heating costs and provide receipts for those costs before applying for the program.

- **Subsidized Rental Housing Utility Deposit (SRHUD)**
  Helps pay a utility deposit when households are moving into Section 8 or subsidized rental housing, provided that heat is included in rent.

How long will it take?
It may take up to 45 days to process your application. **Continue to pay your bills while waiting for a decision on your application.** If your bills are overdue or you are in danger of running out of fuel, contact your heat or utility company to set up a deferred payment agreement. Let them know you have applied for Heating Assistance.

How can I check on my application?
You can check to see if we received your application or find out your grant amount by calling our 24-hour information hotline: 1-888-804-6330. You will be asked:

- ✓ Your case number. This number was listed on your Notice of Receipt of Heating Assistance Application.
- ✓ Your security code is the last four digits of your social security number.

Information for the new heating season will not be available on the hotline until the second business day in November. Any information on the hotline before that date is for last year; not for the current year.

How often can I receive Heating Assistance?
You can receive one benefit each season between November 1 and August 31.

Are the benefits sent directly to me?
In most cases, your benefit is paid to your heat vendor and/or electric company and credited to your account.

Can I apply for Heating Assistance if my heat is included in my rent?
If heat is included in your rent, you may qualify for Heating Assistance. Please include a copy of your lease and your latest rent payment receipt.

Do I qualify if I live in Section 8 or subsidized rental housing?
**Heating Assistance:** If heat is included in your rent, you do not qualify for Heating Assistance. If you live in subsidized housing and pay for your heat, you may qualify for heating assistance. If you receive a utility allowance, your benefit will be reduced.
**Subsidized Rental Housing Utility Deposit (SRHUD):** If you are requesting help with a utility deposit required to establish electric service for Section 8 or subsidized rental housing and heat is included in your rent, you may be eligible. If you pay for your heat you will not qualify for a SRHUD but you may qualify for Heating Assistance.

Can I apply for Heating Assistance if I do not live in the home?
No. You must live in the home to qualify.

How do I report income?  (Please provide proof of all income with your application.)
List all your income received the month prior to the date we receive your application. Without proof, your application may be delayed or denied. Acceptable proof includes wage stubs showing check date, gross income and year-to-date figures, an employer work statement (Form B) or signed letter from your employer. Year-end statements or award letters are required for Social Security and retirement benefits. Bank statements are not adequate proof. If you are a seasonal worker, self-employed, or work a variable schedule, go to Form C or A to determine your income.

Do I report my Permanent Fund Dividend?
PFD income is not counted towards your eligibility for Heating Assistance. However, your Native dividend may be counted. Please list them as it helps us understand how you are meeting your expenses.

What if I have a disconnect notice or am out of heat?
If you have run out of heat or have a notice that you will be disconnected in 48 hours, contact your heat or utility company immediately to see if you can make payment arrangements. If they cannot make an arrangement with you, you may get emergency processing if you send in a complete application and attach copies of your disconnect notice, home heating and electricity bills, and proof of income for all household members. Your application will be reviewed for emergency processing. If you do not meet the expedite criteria, your application will be processed in the date order it was received.

Can I transfer my benefit?
Once you have received your benefit, it cannot be transferred unless you have moved to an area that is served by a different heat/electric company. Contact our office if you move so we can help you transfer your benefit.

Can I share my benefit?
You cannot sell, barter or share your benefit. The benefit is for your household only. If you are unable to pick up your oil and want to designate another person to do so, you must make that request to the vendor, in writing, stating the date, name of person picking up the fuel, how much fuel is to be picked up, and that the fuel is for your home. Sign the letter. The person picking up fuel must provide ID to prove they are the person you designated.
