

# Step-by-Step to Accepting FVVs

- 1) **Check the valid dates on the FVV.**  
You may accept an FVV only during the printed on the face of the voucher. FVVs redeemed outside of the valid dates will be rejected by the bank.
- 2) **Compare the signature of the participant or proxy with their Alaska WIC Allowed Food List booklet.**  
If a proxy is shopping for the participant, their signature must appear on the food list as one of the Authorized Representative/Proxy Signatures.
- 3) **Write the actual date and amount of the sale in the amount box on the FVV.**  
Always write in the amount of the sale *before* the customer signs the FVV.  
*NOTE: The total purchase price entered on the face of the FVV must never exceed the “Not to Exceed” amount printed on the voucher. FVVs come in \$6.00, \$10.00, and \$15.00 increments.*
- 4) **Ask the participant or proxy to sign the FVV.**  
Compare the signature to the signature on the customer’s food list. If different, or no signature is present on the booklet, do not accept the voucher.
- 5) **Stamp your Vendor number on the FVV in the box marked “vendor stamp”**
- 6) **Deposit the FVV in your account by the deposit deadline on each check.**  
FVVs deposited outside of this time frame will *not* be reimbursed.
