

What's the Difference Between WIC & SNAP?

Program Mission

Prevent nutrition-related illness and improve overall health outcomes

Prevent and Reduce Hunger

Discretionary
Program does not necessarily receive funds to serve every eligible person.

Entitlement
All who apply, have incomes below 130% of the poverty line and meet eligibility criteria can receive benefits.

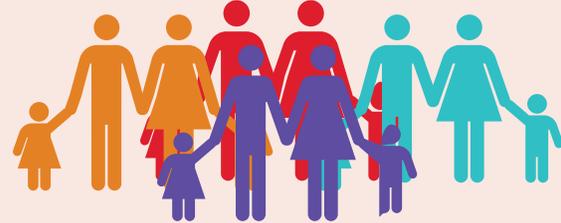

Pregnant women, postpartum women, infants, and children up to 5 years old with a nutrition risk and with incomes at or below 185% of the poverty line can participate.

>8 million

>46 million

\$43.65 average cost per participant per month

\$125.36 average cost per participant per month
