Interviewer's Script

HELLO, I am calling for the Alaska Department of Health and Social Services. My name is (name). We are gathering information about the health of Alaska residents. This project is conducted by the health department. Your telephone number has been chosen randomly, and I would like to ask some questions about health and health practices.

Is this (phone number) ?

If "No"

Thank you very much, but I seem to have dialed the wrong number. It's possible that your number may be called at a later time. **STOP**

Is this a private residence in (state) ?

If "Yes" [Go to cellular phone question]

If "No" [Go to college housing]

Interviewer Note: Telephone service over the internet counts as landline service (includes Vonage, Magic Jack and other home-based phone services.).

College Housing

Do you live in college housing?

Read only if necessary: "By college housing we mean dormitory, graduate student or visiting faculty housing, or other housing arrangements provided by a college or university"

If "No,"

Thank you very much, but we are only interviewing persons who live in a private residence or college housing at this time. **STOP**

Cellular Phone

Is this a cellular telephone?

[Read only if necessary: "By cellular (or cell) telephone we mean a telephone that is mobile and usable outside of your neighborhood."

If "Yes"

Thank you very much, but we are only interviewing land line telephones and private residences or college housing. **STOP**

Adult Random Selection

I need to randomly select one adult who lives in your household to be interviewed. How many members of your household, including yourself, are 18 years of age or older?

___ Number of adults

If "1,"

Are you the adult?

If "yes,"

Then you are the person I need to speak with. Enter 1 man or 1 woman below (Ask gender if necessary). **Go to page 5.**

If "no,"

Is the adult a man or a woman? Enter 1 man or 1 woman below. May I speak with **[fill in (him/her) from previous question]**? **Go to "correct respondent" on the next page.**

How many of these adults are men and how many are women?

___ Number of men

___ Number of women

The person in your household that I need to speak with is _____.

If "you," go to page 5

To the correct respondent:

HELLO, I am calling for the Alaska Department of Health and Social Services. My name is (name). We are gathering information about the health of Alaska residents. This project is conducted by the health department. Your telephone number has been chosen randomly, and I would like to ask some questions about health and health practices.

Core Sections

I will not ask for your name, address, or other personal information that can identify you. You do not have to answer any question you do not want to, and you can end the interview at any time. Any information you give me will be confidential. If you have any questions, I will provide a telephone number for you to call to get more information.
