

37th Annual Alaska State EMS Symposium November 7-10, 2012 Egan Center, Anchorage, Alaska

The Alaska State EMS Office and Southern Region EMS Council wish to announce a **Call for Speakers**.

The EMS providers of Alaska and the individuals they serve, are seeking presenters who are interested in presenting at the State EMS Symposium. There are many speaking opportunities at this year's Symposium. We have an open slot for one, 16 hour, two-day course on the 7th and 8th. Additional Pre-Symposium offerings on the 8th are divided into 4 hour and 8 hour blocks. The Symposium itself offers many 1.5 hour session opportunities.

Topic areas that continue to be in demand here in Alaska are:

- Pediatrics
- BLS, ALS and combined presentation for CME hours
- EMS Leadership and Management
- EMS Education and Instructor Topics
- Trauma and Medical Mass Casualty
- Search and Rescue
- Injury Prevention
- Data Collection and Interpretation

Speakers who are interested in presenting at the Alaska State EMS Symposium must submit the following:

- Curriculum Vitae or;
- Resume or;
- Statement of Qualifications (including job title, university degrees and professional credentials)
- Topics you are interested in presenting
- Best methods of contacting you (email, phone, etc...)

Links to, or reprints of, the speaker's personal web-page will not be accepted.

Please submit your interest to Southern Region EMS Council, Regional Training Coordinator:
