

## **Alaska Shield 2014 Hale Borealis**

**March 23 – April 2, 2014**

### **Volunteer Opportunity – Flexible Days & Hours**

Alaska Shield 2014 is a statewide training exercise that will coincide with the 50<sup>th</sup> anniversary of the 1964 Good Friday earthquake. This will be Alaska's opportunity to exercise for a catastrophic South-central Alaska earthquake that experts say is a case of "when, not if."

Hale Borealis will test:

- How hospitals deal with numerous disaster victims
- How the state can transfer victims to other hospitals in Alaska or the Lower 48 for treatment
- Coordinating a local, state, and federal response to a catastrophic disaster

Hale Borealis needs licensed healthcare providers and non-medical people to volunteer to make this exercise as realistic as possible. If you are interested:
