APPLICATION CHECKLIST

☐ Completed, signed and notarized application for registration;

☐ Evidence of valid medical credential (EMT-2, EMT-3, MICP, RN, PA, MD, DO);

☐ Evidence of completion of at meeting one of the teaching requirements listed below within the two years before the expiration of the person’s instructor certification:
   A) lead instructor for one Air Medevac Escort Basic course
   B) team teach at least one Medevac Escort Basic course
   C) teach at least 16 hours of CME in specialized air medical transport topics in at least three content areas

Please review this checklist carefully. Failure to submit a complete application will result in a delay in registration.
People with certain criminal convictions are not eligible to be certified as an EMT or EMS Instructor under 7 AAC 26.950. If an applicant has criminal convictions, he or she must submit additional materials that can be used by the staff at IPEMS to determine eligibility for certification.

**CRIMINAL HISTORY QUESTIONS**

*These four questions must be completed by all applicants*

I have previously disclosed the required information about all convictions to the Section of Injury Prevention and EMS on a previous “Application for EMT Certification” or “Application for EMT Recertification,” and I have no new convictions to report since my last application was submitted.

*IF ANY OF THE FIRST THREE QUESTIONS WERE ANSWERED “YES” AND YOU HAVE NOT PREVIOUSLY DISCLOSED THE REQUIRED INFORMATION ABOUT ALL CONVICTIONS TO THE SECTION, YOU MUST SUBMIT THE FOLLOWING REQUIRED MATERIALS:

- An Affidavit;¹
- An Interested Persons Report (IPR).²

**FACTORS AFFECTING THE TIME FRAME FOR BARRIER CRIMES AND INELIGIBILITY**

Crimes that may be a barrier to certification are listed in 7 AAC 26.950 (a) and (b). Crimes listed in 7 AAC 26.950 (a) are permanent barriers to certification. The duration of the applicant’s ineligibility for certification due to a conviction for a crime listed in 7 AAC 26.950 (b) may be lengthened or shortened based on 7 AAC 26.950 (f). The factors which may be considered are:

- The seriousness or frequency of the offense;
- The length of time since the offense;
- Evidence of rehabilitation;
- The satisfactory completion of all sentencing requirements; and
- The potential danger posed to the public by an individual.

INSTRUCTIONS FOR AFFIDAVITS

An affidavit is a written declaration signed under oath before a notary public or other authorized officer. For an EMT application, these authorized officers include: postmaster, clerk of court, judge, magistrate, state trooper, authorized state employee or certifying officer.

When applying for EMT certification, an affidavit must include:

- the date of the conviction;
- the official name of the offense(s),
- the sentence or treatment requirements imposed;
- the status of the sentence or treatment required; and
- any other information you believe is relevant to your application for EMT certification, including statements about the five factors included under 7 AAC 26.950 (f):
  - The seriousness or frequency of the offense;
  - The length of time since the offense;
  - Evidence of rehabilitation;
  - The satisfactory completion of all sentencing requirements; and
  - The potential danger posed to the public by an individual.

The affidavit MUST be signed in the presence of a notary public, postmaster, clerk of court, judge, magistrate, state trooper or authorized state employee or EMS certifying officer.

An affidavit does not need to be typed, but it must be legible.

The Section of Injury Prevention and EMS reserves the right to require the submission of relevant documents, including court documents, prior to determining whether a certificate should be issued.

Failure to disclose convictions may be considered “fraud or deceit in obtaining a certificate” and is, in itself, grounds for the suspension, revocation, or refusal to issue a certificate.

NOTE: Regulations require EMTs and Instructors to notify the department in writing within 30 days after being charged with an offense that is a class A misdemeanor or a felony under the law of this state or an offense with substantially similar elements in another jurisdiction.

Use of Social Security Numbers in the Registration of Medevac Instructors

Introduction and Overview: The Privacy Act of 1974, as amended, 5 U.S.C. § 552a (1994) prohibits a federal, state or local government from denying an individual any right, benefit or privilege provided by law because of the individual’s refusal to disclose his Social Security numbers (SSN). This section does not apply to any disclosure which is required by federal statute. The law further requires agencies collecting Social Security numbers to provide information about how the information will be used. This document provides information about the collection and use of Social Security numbers by the Section of Injury Prevention and EMS (IPEMS) of the Alaska Department of Health and Social Services for the purposes of registering Medevac Instructors.

Under What Authority Does IPEMS Collect SSNs? Federal and state laws regarding child support enforcement and federal debt collection require state agencies to deny licenses to those who are significantly delinquent in paying their child support or student loan obligations. (See Personal Responsibility and Work Opportunity Reconciliation Act of 1996 - 42 USC 666(a)(13); Debt Collection Improvement Act of 1996 - 31 USC 7701(c) for more information). While we have the authority to require SSNs for certification of Emergency Medical Technicians and other levels named in AS 18.08, we do not have the authority to require an SSN as a prerequisite to registration as a Medevac Instructor.

How the SSN is Used? The SSN on this application is used to complete an electronic record in our certification/registration database. It is not shared electronically or in any other form with other agencies.

Is Providing Your SSN Mandatory? You are not required to become registered as a Medevac Escort Instructor since it is not a certification issued under AS 18.08. If an SSN is not provided, you will not be able to access electronic records systems like the course approval database, as SSN is one of the required fields in the certification database.
