

AVAP Opt-In list of Providers

The following clinics/medical practices offer vaccines provided by the Alaska Immunization Program for uninsured adults.

While medical providers are not permitted to charge for the cost of vaccines they receive through the Alaska Immunization Program, they may charge for vaccine they privately purchase and may bill for visit or office fees.

Adults seeking immunization services are encouraged to contact clinics to:

- Ensure vaccine availability and
- Find out if clinics take walk-in patients or if appointments are needed

Local Public Health Centers and the providers listed below receive vaccines through the Alaska Immunization Program:
