

Something New and Exciting from **Look At Me**

[Note: Replace Look At Me/Look At Me Program with the name of your existing offline screening program that you mail to parents]

Thank you for participating in our **Look At Me Program (LAMP)**. We know how busy you are and it's always fun to get your questionnaires back to see the progress your child is making. We hope you enjoy doing the activities with your child.

We have a new opportunity that may make things a little easier for you. The State of Alaska, Early Intervention/Infant Learning Program (EI/ILP) has provided funding to offer the Ages and Stages Questionnaires online, for ease of access by parents. Their goal is to make it easier, so that all parents throughout Alaska with children birth to five years can check how their child is doing developmentally.

This is an option, not a requirement. We will continue to provide questionnaires by mail for anyone who would prefer to continue that way.

We are committed to your privacy and the privacy of your child. Any information you submit in the ASQ Online system can only be seen by our staff who have authorized access to your account. No information will be shared without your written consent.

The State of Alaska EI/ILP staff will have access to combined data without you or your child's identifying information. All information collected will be treated as confidential and is protected under the Family Education Rights and Privacy Act (FERPA) and Health Insurance Portability and Accountability Act (HIPAA).

Let us know what works best for you!

Choose your option:

I understand that I can change my method of completing questionnaires at anytime by calling the **[Staff contact information]**, to let **her/him** know.

- I prefer to continue with paper copies by mail, fax, scan or email - no changes.
- I prefer to continue with paper copies but I will allow my child's information be added into the ASQ Online data system, so my child can be counted as having had a developmental screening.
- I would like to begin completing my child's questionnaires online and I understand that my child's information will be included in the ASQ Online data system. Here's my email address to send me the link (please print clearly)_____

Child's first and last name (please print)

Birthdate

Parent/Guardian name (printed)

Parent/Guardian signature

Date

No matter which option you choose, we will continue to send you the results of the screening with the activity packet.
