Introduction
Welcome to the online counselor certification tool offered by the SHIP National Technical Assistance Center (SHIP TA Center) at www.shiptacenter.org! You are likely receiving this guide because your SHIP program has decided to use this tool for counselor certification. This guide is intended to assist you in effectively accessing and using our online system. Specific certification questions, certification timing, and other certification guidelines are determined at the state, regional, and local level. Please follow your SHIP program’s additional guidelines for using this tool and for becoming (or remaining) a certified counselor.

System Requirements
Before getting started, please note that it is best to use any of the following internet browsers with Java Script enabled to access the OCCT:

Internet Explorer 9 and up, Firefox, Google Chrome, Safari

Note that all major internet browsers will likely have Java Script enabled by default.

Accessing the Certification Tool
The certification tool can only be accessed by registered users at www.shiptacenter.org.

1. Click on SHIP Login from our home page. (Please note that the photos on our home page rotate. The photo depicted below is only one of several that appear).
2. Registered users log in by entering their email address and password.

3. Non-registered users who need access to this tool can submit a registration request. (See the green arrow pointing to the green registration button above.)

4. If you think you are registered but don't remember your password, click on the blue *Forgot your password?*

5. The window below will appear. Enter your email address and click "Submit."

6. After you click submit, you will be sent an email from info@shiptacenter.org explaining how to re-set your password. If the email does not arrive, check your junk mail or spam folder. Make sure to mark info@shiptacenter.org as a safe sender.
7. Upon logging in, Counselor-In-Training users will automatically see the page shown below and nothing else. All other users will have additional menu options and will need to click on the Counselor Training menu to access the Online Counselor Certification and Training Tool (OCCT).
   a. Brief explanatory text precedes the green "Counselor Training and Certification" button.
   b. Click on the green button to proceed to the certification tool.

8. Once you are on the home page, click the "Certification Tool" link in the top menu.
Overview of the Certification Tool page

You will see a table with three tabs on the Certification Tool page:

- Exam List
- My Information
- My Results

Exam List

This tab displays a list of all exams for which you are currently scheduled. Exams are scheduled by a designated SHIP staff administrator for your program. It is the role of a designated SHIP staff administrator to alert you when you have been scheduled to take an exam. If you have not been scheduled for any exams, the Exam List will be empty and no exams will appear in the Exam Name column. In the example below, one exam has been scheduled, titled "Sample Recertification Exam." To take an exam, click on the blue Take Exam link associated with that exam (circled below).

SHIP Certification Tool

![Exam List Table]

Note: After you have taken an exam, it will not automatically disappear from this list. The Exam Name will remain on the list until a SHIP staff administrator removes it.

My Information

This tab displays your Participant ID, the email address you use to log in, your state abbreviation, and a list of exams for which you have been scheduled. In the example below, only one exam has been scheduled for this sample participant.

![My Information Table]
**My Results**

This tab displays results of all exams you have taken. You can see the answers you selected for a specific exam by clicking the View Selected Answers link. The first six columns are sortable. You can click the column name to toggle ascending or descending order.

<table>
<thead>
<tr>
<th>Name</th>
<th>Exam</th>
<th>Date Taken</th>
<th>Time Spent</th>
<th>Points Scored</th>
<th>Possible Points</th>
<th>Pass/Fail</th>
<th>Answers</th>
</tr>
</thead>
<tbody>
<tr>
<td>Paulson, G</td>
<td>Sample Custom</td>
<td>1/13/16</td>
<td>00:05:48</td>
<td>9</td>
<td>10</td>
<td>Pass</td>
<td>View Selected Answers</td>
</tr>
</tbody>
</table>

**Taking an Exam**

If your administrator scheduled you for an exam, you will see the name of the exam on the SHIP Certification Page and you will be able to take the exam from there.

1. Click Take Exam next to its name and follow any directions provided by your administrator.

2. Selecting the correct answers is done by simply clicking on their text.
3. Make sure to click the Submit button after you answer all the questions. Otherwise your exam will not be graded.

The question is:

Question 50. The Advance Beneficiary Notice (ABN) is used to inform Medicare beneficiaries of what?

- That Original Medicare is likely to reject a claim for services in whole or in part
- That a procedure is experimental
- That the beneficiary needs a referral in order to see this kind of provider
- None of the above

If your exam has a defined time limit, we strongly suggest completing it in one sitting. While the system will continue to track remaining time even if you leave the page, your exam will not be submitted for grading unless you have the exam opened in your browser when the time runs out.

If you run out of the allotted time while you’re still on the exam’s page, your exam will be submitted automatically.

If you run out of the allotted time while you are no longer on the exam’s page, that attempt will be counted as one of your allowed attempts, even though the exam will not be graded.

Support

Please contact you SHIP administrator with any questions related to your exam and the Certification Tool.

For technical assistance with the software, contact the SHIP National Technical Assistance Center at info@shiptacenter.org or 877-839-2675.
