

The Medicare Minute is coming to your area!

Medicare Minutes are developed by the Medicare Rights Center, a national, non-profit consumer service organization that works to ensure access to affordable health care for older adults and people with disabilities through counseling and advocacy, educational programs, and public policy initiatives.

- ⇒ Looking for ways to get involved in your community?
- ⇒ Are you passionate about helping others?
- ⇒ Do you want to learn more about Medicare?

If you answered yes to any of the above, then we would like to invite you to join the national, volunteer-based Medicare Minute program!

The Medicare Minute program is a national, peer-to-peer education model that helps older adults and people with disabilities understand Medicare and related health insurance coverage.

As a volunteer you will:

- ⇒ Deliver short presentations to your peers on a monthly basis, typically returning to the same site each month
- ⇒ Become part of a national program that reaches more than 300,000 people annually across the country
- ⇒ Stay informed about timely topics related to your health care
- ⇒ Connect with diverse audiences and refer them to reliable assistance.

If you are interested in becoming a Medicare Minute presenter or desire more information, please call

Nila Morgan at the Medicare Information Office at The Anchorage Senior Activity Center
