

Instructions for Requesting EMOD Estimates:

1. Create an email distribution list of all currently enrolled EMOD providers: Go to the provider search on the SDS webpage; in the service categories tab select “Environmental Modifications”; cut and paste all email addresses for all EMOD providers (regardless of location) into an email.
2. In this email to current EMOD providers, be sure to include all information required from the Care Coordination Conditions of Participation (COP) effective 7.1.15. (insert link: http://dhss.alaska.gov/dsds/Documents/docs/EMOD_COPs.pdf)
3. Remember to include a copy of your email with your final POC amendment package to demonstrate compliance with soliciting all enrolled providers.
4. Be sure to revisit the provider search for each future EMOD, requests since new providers may be added or deleted.
