

Access Point Quick Guide

Welcome to Access Point! This guide can be used to assist with locating a Care Coordinator or service provider in your area.

The screenshot shows the Access Point website interface. At the top, the logo reads "Access Point for Long Term Support Services in Alaska" with a stylized mountain and sun graphic. Below the logo is a navigation menu with links for Home, Search for Services, Knowledge Center, Help, and Information for Providers. There are also font size controls (A A A A), social media links (Tell a friend, Print Page, Add To Favorites), and a language selection dropdown (Change Language, Select Language). The main content area features a "Welcome to Your Access Point Web Resource Center!" heading and four service tiles: "Search for Services" (green), "Service Area Map" (yellow), "Provider Information" (purple), and "Knowledge Center" (blue). Each tile includes an icon, a brief description, and a representative image. Below the tiles is a "Find a Service" section with a search bar and instructions. At the bottom, a footer contains a disclaimer: "The Alaska Division of Senior and Disabilities Services strives to ensure that information present on this website is current and accurate, however, the State does not assume any liability for discrepancies. If you have questions or find a problem, please send a message to: DSDSCertification@Alaska.gov".

Begin by selecting the **green** "Search for Services" box.

Access Point Quick Guide

On the search screen, select the desired service from the “Service Category” section. (Example: 061 Care Coordination Agency).

Service Category	<ul style="list-style-type: none">001 LTC-Hospital Beds010 LTC-Nursing Facility028 LTC-ICFIID047 Home Community Based Agency048 Residential Supported Living Arrangement049 Environmental Modifications058 Private Duty Nursing Agency061 Care Coordination Agency076 Medical Equip/Supply095 Personal Care Assistance Agency
------------------	---

In the next section, select the option “show providers that serve specific areas”.

<input type="radio"/> Show providers located near me	<input checked="" type="radio"/> Show providers that serve specific areas
--	---

Choose the desired service location by selecting the State and City/Town. You do not have to select Borough.

State	Borough	City/Town
AK	Bethel Census Area	Amherst
IA	Bon Homme	Anaktuvuk Pass
ID	Boone	Anchor Point
IL	Bristol Bay Borough	Anchorage
IN	Brookings	Anderson
KY	Brown	Andover
MA	Brule	Andreafsky
MI	Buffalo	Angoon
ND	Butte	Aniak
NE	Cambell	Anvik

Click the  button at the bottom, and review provided results.
