## Since May:

- Confirmed committee chairs.
- Participated in Trust Budget Presentation.
- Attended the NACDD Face to Face meeting in Reno.
- Working to establish process to evaluate Executive Director.
- Reviewed regulations and provided comments.
  - SDS waiver cuts
  - SDS Transition plan
- Preparing for creation of the 5 year plan.

## What is next?

- Council staff is working to gather information and feedback for the content of the 5 year plan.
- Executive committee will complete Patrick's annual performance evaluation.
- Committees are looking for members-if you are not currently on a committee or feel you have some time you can contribute on an additional committee-contact the chairs of the committees.
- It appears that the council will not be getting as many appointments as prior years, i.e. 28. We will function with the membership we have now – 18, and we expect approx. 5 new appointments soon. This means that as we have more workgroups and ad hoc committees, council members may need to participate on more than one committee.
