Things That Have Happened Since May

- Autism ECHO, a collaborative learning community, is launched!
- Curriculum developed for training providers to diagnose ADHD and autism
- We now have 2 Pediatric Neurodevelopmental Physicians!
- Clinic at South Central opening next year.

Applied Behavior Analysis Draft Regs

- Came out August 11
- Comments due October 11
- There has been a request for more time
- Troublesome elements
 - Must have tried other interventions first
 - No mention of supervision
 - Limited settings
 - Low reimbursement rate

Future Activities

- Fall meeting in November
- 2nd Annual Autism Conference
- OCALICON 2017, the premier autism and disabilities conference
- National Autism Leadership Summit
- The Gould Project
- Focus this next year on adult services
