## About the data in this report

Facility types are:

- **Assisted Living:** A residential facility that provides housing, food services, assistance with daily living, and/or personal assistance to adults (age 18-20).
- **Child Placement Agency:** A person or organization that arranges for the placement of a child in a residential child care facility, foster home, or an adoptive home.
- **Foster Group Home:** A home that cares for more than three, but no more than eight, children unrelated to the foster parent.
- **Foster Home:** A home where the adult head of the household provides 24-hour care on a continuing basis to one or more children who are apart from their parents.
- **Maternity Home:** A facility that provides care to pregnant individuals or provides care to mothers and their newborn infants.
- **Residential Child Care Facility:** A facility, staffed by employees, where one or more children who are apart from their parents receive 24-hour care on a continuing basis.
- **Residential Psychiatric Treatment Center:** A secure or semi-secure facility, or an inpatient program in another facility, that provides, under the direction of a physician, psychiatric diagnostic, evaluation, and treatment services on a 24-hour-a-day basis to children with severe emotional or behavioral disorders.

Licensed Facility counts are total number of unique licensed facilities during the reporting period.

Region assignment is based on OCS Region designations and the Zip Code of the facility's physical address.

Non-child specific refers to licenses not issued only for specific children.

Bed capacities are as of the end of the reporting period and do not include children discharged on the last day of the period. ORCA does not have functionality to maintain history for capacity; therefore, capacity will update for all periods simultaneously.

Definition of ICWA, as used in this report – Provider has been documented as meeting requirements of the federal Indian Child Welfare Act (ICWA), a law that seeks to keep American Indian children with American Indian families. This is extended to include non-Indian Native children. ORCA does not have functionality to maintain history for this status; therefore, status will update for all periods simultaneously.

The Division of Juvenile Justice may place delinquent youth in foster and group homes or residential facilities that have been licensed by the Office of Children's Services.

Data-entry lag causes decreased accuracy for more recent time periods. Subsequent reports covering the same reporting periods will contain updated statistics.
