

**Public Education Committee
Meeting Minutes
February 4, 2010**

Attendees:

Gail Stolz
Janice Gray

Linda Shepard
Miriam Lemke

Know Your Numbers / Health Tracker Card

- Janice suggested to also use the back of the Health Tracker Card for giving more educational information
- Gail asked if we do not want to stick with the original idea: to leave the cards small enough so they fit into a wallet
- Janice mentioned that there would be enough room
- Linda suggested to create 2 different cards: A medication card that can be kept in the wallet and the Know Your Numbers Health Tracker Card which contains educational information: Gail and Janice liked this idea
