4:00pm

Java Memory Care

Throwback Thurs

6pm, TBA

TJ on Piano

Every other Thurs,

6pm

Ice Cream Social

Happy Hour

(end of month)

w/Tom Locher

Fridays @ 1pm,

4pm

Hello everyone,

As of 12/6/21, we continue to be in the "Orange" or moderate level in our COVID-19 mitigation plan. We changed to this level last week after learning that two of our staff members tested positive for COVID-19. These staff members were immediately sent home for isolation. We have been testing all elders and staff and have not yet had another case of COVID-19. We are hopeful that we will not see any further cases!

Here is a summary of our Orange COVID-19 mitigations:

We are implementing immediate and increased testing for staff and residents.

Front door is now locked. Please pick up red phone in entrance when visiting.

Visitation 2 x a week. Visitation is only in resident room or visiting room by front door.

All unvaccinated visitors and visitors who have traveled will be tested before coming in.

Sign in as usual.

Thank you for continuing to be diligent with hand washing and wearing masks at ALL times.

If elders continue to be negative, outings are OK.

We will be doing small group activities only and continue with social distancing as much as possible.

Thank you for your understanding, for being wonderful care-partners, and thank you for working with us! Please let me know if you have any questions!!

I also want to update everyone on our cable tv with GCI. GCI has just informed us that we will likely continue to have cable tv in the Home through March 2022. In the meantime, our Central Administrative Office continues working with other State agencies to get a contract for a new cable service provider for all six Pioneer Homes. We are hoping to get something in place by the end of the month. I will send out more information as soon as I know more!
