Welcome to eWIC!

eWIC is a system used to purchase WIC foods with an electronic benefit card that can be used like a debit card.

- Your family will receive one eWIC card with everyone’s benefits combined together.
- You will use your card every time you go shopping.
- You don’t have to buy all your WIC foods in one trip.
- Your eWIC card is re-usable; so keep it and the PIN safe.

Keep Your Card Safe!

If someone knows your eWIC card number and PIN, they can use all of your food benefits – once used, those benefits cannot be replaced.

Make sure to keep your eWIC card:

- In a safe place, like your wallet or purse
- Clean and dry
- Away from magnets and electronics, such as cell phones
- Away from direct sunlight
- Away from heat

At the Checkout Counter:

- Tell the cashier you are using your eWIC card.
- Separate your WIC foods from your other groceries.
- WIC foods will be scanned first, before other items.
- Ask when you should swipe your card and enter your PIN.

It is important to keep your receipt after every WIC purchase as it shows your remaining food benefit balance and expiration date!
Shopping Tips

✓ Make sure to bring your eWIC card!
   Purchases cannot be made without it.

✓ Keep your card and PIN safe!
   Don’t write your PIN on your card. Only share it with people you trust. Your card will be locked after four incorrect PIN attempts. Keep your card away from heat and magnets.

✓ What’s my benefit balance?
   Your benefit balance can be found on your last receipt, your Shopping List, the WICShopper app, at www.ebtedge.com or by calling the eWIC Customer Service line at 1 (844) 386-3149.

✓ Have a plan before you shop!
   Shop with a plan to choose foods in sizes that add up to your full benefits. You don’t have to buy everything at once!

✓ Tell the cashier you’re using an eWIC card!
   Use your eWIC card before all other forms of payment, including your Quest card.

✓ Download the WICShopper app!
   Register your eWIC card, check your balance, scan a barcode, view our food list, and find recipes and your closest WIC agency and grocery store.

✓ Remember!
   You may use coupons, store loyalty cards, buy one/get one offers and other specials when shopping with eWIC.

✗ NOT ALLOWED:
   Rain checks, substitutions, IOU’s, or returns. Exchanges only allowed for exact item if spoiled or damaged.

✗ DO NOT:
   Sell, trade, or give away WIC foods or try to do this with WIC benefits. This includes attempting to sell or selling items in person, in print, or online.

WIC ENCOURAGES
BREASTFEEDING
EVERY OUNCE COUNTS!

Your breastmilk is all your newborn needs!

Every mother can help her baby develop and grow with her own breastmilk. It’s also a healthy, affordable choice.

✔ Healthy for MOMS  ✔ Healthy for BABIES  ✔ Great for FAMILIES

Breastfeeding helps moms and babies stay healthy. Healthy moms and babies are more active and ready for play.

Breastfeeding saves time, money, and the environment.

Moms have the right to breastfeed their children anytime, anywhere. It is the law in Alaska.

WHAT WIC PARTICIPANTS SAY ABOUT BREASTFEEDING...

“What you taught me must have worked, because it’s going great!”

“It was a way to be close to my daughter when I went back to work.”

“Healthier for my baby, no preparing milk and breastfeeding is free!”

New parents have questions and WIC is here to answer those questions. Learn more about breastfeeding by contacting your WIC office or call (907) 465-3100.
Alaska WIC Rights and Responsibilities

You have rights and responsibilities as a WIC participant. The names and addresses of you and your child may be given to agencies such as Medicaid, Denali KidCare, Supplemental Nutrition Assistance Program (SNAP), Heating Assistance, Temporary Assistance, Child Care, Infant Learning, Head Start and Public Health Nursing Programs for referral and outreach. Programs listed above may give the WIC program name(s), address, income, identification and residency for you and your child to help check if you qualify for WIC.

Other WIC information may also be shared with health programs to see if you qualify for their program’s services, to share needed health information with programs you are already participating in, and to help assess the overall health of Alaskan families through reports and studies. These same programs listed below may also share their information with WIC for the same purposes. You may ask WIC staff for more information about these programs. These programs include: Medicaid, Denali Kid Care, Pro Care, Head Start, Supplemental Nutrition Assistance Program (Formally known as the Food Stamp Program), Immunizations Program, Public Health Nursing, State Epidemiology and Infant Learning Program.

**I understand my Rights and Responsibilities:**

**Responsibilities:**

- I will treat WIC and store staff with courtesy and respect.
- All the information I give WIC is true and accurate. WIC staff can check this information.
- I will immediately report any changes in my income, family size, address, phone number or eligibility for Medicaid/Denali Kid Care, or the SNAP Program. I will also notify the WIC office if my card is lost or stolen, or if I am no longer breastfeeding.
- I will get WIC benefits from only one clinic at a time. If I move out of Alaska, I will ask for a transfer.
- **I will not sell, or try to sell my eWIC card, trade or give away formula or other WIC food benefits and breast pumps. This includes sell of such items in person, in print, or online.**
- I will be removed from the WIC program if my benefits are not issued or I do not use my benefits, for two months in a row.
- I will allow WIC staff to take my or my child’s height and weight and take a small amount of blood to check my or my child’s iron level. I understand this information is needed to check nutrition needs and determine eligibility for WIC.
- I will come to my appointments or call ahead when I need to reschedule.
- I will reapply for benefits as needed. I understand that WIC benefits are for participant use only.
I will follow the WIC program and shopping rules that are on my WIC food list.

WIC is a Federal program. If I break the rules, make false statements, intentionally misrepresent, conceal, or withhold facts about my eligibility for the WIC Program, I understand that:

- I or my child can be taken off WIC.
- I will have to pay money back to WIC for foods, formula or breast pumps I should not have received. If I do not pay back the WIC program for foods and/or formula that I accepted or return loaned breast pumps that I was not eligible to receive, the state may use other types of legal options to collect payment, including small claims court, which could result in Permanent Fund Dividend (PFD) garnishment.
- I can face civil or criminal prosecution under State and Federal law.

**Rights:**

- If I qualify for WIC, I will get benefits to buy healthy foods. I understand that WIC does not give all the food or formula needed in a month. WIC foods help promote and support the nutrition and well-being and help meet the needed intake of important nutrients or foods for myself and/or my child(ren).
- WIC will give me information for healthy eating and active living. WIC will provide me with breastfeeding support.
- WIC will give me information to find a doctor and get immunizations for my child. I will be referred to other services.
- WIC staff will treat me with courtesy and respect.
- WIC will keep information about me and/or my child(ren) confidential and share only needed information to determine eligibility and for referral to other services.
- The rules for getting on WIC are the same for everyone. I can ask for a Fair Hearing if I do not agree with a decision about my WIC eligibility. WIC will tell me why my child or I qualify for the WIC Program.
