SUMMER IS HERE.

Now is a great time to get protected against COVID-19.

If you're ready to make a vaccine appointment or have questions, call Alaska's Vaccine Helpline at **907-646-3322** or visit <http://covidvax.alaska.gov>.

You may also call toll-free at **1-833-482-9546**.

Language interpretation and transportation help is available. When you call, please let us know if you need assistance.

Getting immunized against COVID-19 helps protect you, your family and your community.

**LET'S BEAT THIS VIRUS,
TOGETHER!**
