COVID-19 VACCINE

IS AVAILABLE

Why get vaccinated?

The COVID-19 vaccine helps protect you from COVID-19 infection and severe disease. It is safe and highly effective. Vaccination is a safer way to build immunity and is an important tool to help stop the pandemic.

Who can get the vaccine now?

Anyone living or working in Alaska is eligible to be vaccinated.

Moderna's vaccine and Johnson & Johnson's Janssen vaccine are authorized for ages 18 and up, and Pfizer's vaccine is authorized for people ages 16 and up.

How do I schedule an appointment?

Visit ***http://covidvax.alaska.gov*** or call ***1-907-646-3322*** to learn more and find a vaccine provider near you. Vaccine supply may be limited, and appointment availability changes often.

Keep being COVID-19 conscious!

Wear a mask, practice social distancing and wash your hands.

The vaccine is one more layer of protection to keep you and your loved ones safe.
