

## **Community First Choice (CFC) Supplement to Uni-04 Application for Waiver Services**

Required for waiver applicants and reapplicants seeking CFC services, to determine when an assessment using the Consumer Assessment Tool (CAT) is necessary.

NOTE: Children under 6 years are not eligible for Personal Care Services. Applicants intending to live and recipients living in assisted living homes (ALHs) cannot receive CFC services (whether Personal Care Services, Personal Emergency Response Systems, or Chore services).

### **Select the waiver:**

- CFC with Alaskan Living Independently (ALI), Adults with Physical and Developmental Disabilities (APDD) or Children with Complex Medical Conditions (CCMC) Waiver
- CFC with Intellectual Developmental Disability (IDD) or Individualized Supports Waiver (ISW)

### **Select the CFC services:**

- CFC Case Management, Personal Emergency Response System (PERS) and/or Chore services **without** Personal Care Services (PCS) = No CAT Assessment is necessary. *Stop here*
- CFC **with** Personal Care Services = CAT Assessment is necessary. *Continue on.*

### **PCS Agency Information (required):**

PCS Agency Name: \_\_\_\_\_  
PCS Agency Provider ID#: \_\_\_\_\_

### **Select yes or no to the following:**

Is a Uni-16 Release of Information (ROI) form included for the above-named PCS Agency? A ROI for the PCS agency is required before SDS can issue a service plan for CFC PCS. *If a ROI for the PCS Agency is included with this application, then a separate CFC Inquiry from the PCS Agency is not required. Applications without an ROI will experience a delay in processing*

- Yes       No

If the applicant/recipient does not meet nursing facility level of care for CFC, does the recipient want to be considered for automatic enrollment into State Plan Personal Care Services? A ROI for the PCS agency is required before SDS can issue a service plan for PCS. *If a ROI for the PCS Agency is included with this application, then a separate PCS Inquiry is not required.*

- Yes       No
