

## Request for Qualifying Diagnosis Certification

The Division of Senior and Disabilities Services (SDS) administers the home and community-based Medicaid waiver program for individuals with Intellectual or Developmental Disabilities (IDD) as an alternative to institutional care. One element of eligibility is a diagnosis that meets the regulatory requirements in 7 AAC 140.600.

The attached *Qualifying Diagnosis Certification* form identifies an applicant for IDD waiver services. Please complete the form if the applicant has one of the qualifying diagnoses, and include the corresponding ICD-9 code. Sign and return the form to the applicant's care coordinator, preferable by e-mail, at the address below.
