Public Assistance Programs

- APA: Adult Public Assistance gives monthly cash payments and medical assistance to eligible elderly, blind and disabled persons
- ATAP: Alaska Temporary Assistance Program gives monthly cash payments to eligible families with children
- GA: General Relief Assistance helps eligible individuals and families with emergency rent and utility needs. Also helps with burial costs
- HAP: Heating Assistance Program helps eligible households defray their winter heating costs by issuing an annual grant to their vendor. The State administration of HAP covers 58.7% of the state with the remainder served by tribal providers
- IA: Interim Assistance provides monetary assistance on a month-by-month basis to eligible individuals while their eligibility for APA is being determined
- ME: Medicaid offers medical coverage to eligible low-income Alaskans. Also helps with Medicare Parts A and B premiums
- SB: Senior Benefits gives monthly cash payments to eligible low-income seniors
- SNAP: Supplemental Nutrition Assistance Program helps people buy food
- WIC: Women, Infants and Children provides nutrition education, breastfeeding support, and cash payments for supplemental food to eligible women and young children

Prepared by DPA Research and Analysis Unit. Preliminary version does not include Child Care.
